LIVE PROJECT IN DATA ANALYTICS -
Trainity ID: 691666

DATA ANALYTICS TRAINEE - Trainity ID:
691666

PROFILE

Data Scientist with expertise in machine learning,, and data visualization. Proven ability to extract actionable insights from complex datasets, driving data-driven decisions. Proficient in Python and SQL. Strong communicator and team player, passionate about using data to solve real-world problems. rttitor.

WORK EXPERIENCE

Machine learning Engineer (intern)

Regex Software, Jaipur Rajasthan

Sept/2023 - Present

Data Scientist specializing in machine learning techniques. Proficient in Python, NumPy, and Pandas for data manipulation and analysis. Skilled in developing predictive models, implementing algorithms, and deriving valuable insights from complex datasets to drive data-driven decisions and solve real- world problems.

Data Scientist Training

Regex Software, Jaipur Rajasthan

May/2023 - July/2023

Data Analytics Training

Trinity, Delhi (online)

January/2023 - March/2023

Working as a History Teacher

I was working as a History Teacher, in Field of
Public Service Commission (MPPSC)

2017 - 2021

PROJECTS

Titanic Survived Project

The Titanic Problem is based on the sinking of the 'Unsinkable' ship Titanic in early 1912.you have to predict if an arbitrary passenger on Titanic would survive the sinking or not.

DISEASE DETECTION

Performed feature transformation and changed categorical data into numerical, applied model, t to find the disease a patient has

Web Scraping

Web Scraping is a tech which is used to extract data, large amounts of data from websites.

IMDB MOVIE ANALYSIS

This project was entirely based on Advanced Excel and its use in which we have to analyses the table and find the insight too.

HIRING PROCESS

Hiring Process is very crucial thing that can affect the ultimate growth of a company. when HR hire a candidate . it is very important to hire that a person on the basis of lot of aspects as it is a mutual growth ais and development of both the company and the person so Hiring should be done carefully
